CASE NO. 04-13863

DECISION AND ORDER

At Fort Wayne, Indiana, on July 11, 2005.

The notice of application and opportunity to object which Brian Kaiser, counsel for the debtors (hereinafter "Movant") served in connection with his application for compensation does not comply with the requirements of N.D. Ind. L.B.R. B-2002-2 because:

- a. The notice does not adequately "state the relief sought" by the application. N.D. Ind. L.B.R. B-2002-2(c)(3).
- b. The notice does not "contain a brief summary of the ground for the application or have a copy of the application attached to it." N.D. Ind. L.B.R. B-2002-2(c)(4). Although the notice states that a copy of the application is attached to it, there is no attachment to the notice filed with the court.

Since creditors and parties in interest have not been given appropriate notice of the application and the opportunity to object thereto, the court cannot grant it at this time. Movant shall prepare and serve an Amended Notice of Motion and Opportunity to Object which complies with N.D. Ind. L.B.R. B-2002-2 and file proof thereto within fourteen (14) days of this date. See, N.D. Ind. L.B.R. B-9013-4(a). The failure to do so will result in the application being denied without prejudice and without further notice.

SO ORDERED.
